Janey Wackrow
President, NZSSRA

Message from ROWING NZ CHIEF EXECUTIVE AND THE NEW ZEALAND SECONDARY SCHOOLS ROWING ASSOCIATION PRESIDENT

The 2021 season has been an eventful one for Secondary School Rowing. After the cancellation of the 2020 Aon Maadi Cup, rowing Membership at Secondary School level has rebounded successfully despite the ongoing effects of the worldwide Covid-19 pandemic.

This week will see the highest number of athletes ever attending, with 2458 (2615 including reserves) competitors set to take to the water for the 2021 Aon Maadi Cup, the pinnacle rowing event on the New Zealand school calendar. It is wonderful to see so many schools from across the country converge on Lake Karapiro and create such a colourful display of school pride, sporting excellence, and perseverance in the face of adversity.

2021 has certainly been an unusual year with the delayed 2020 Tokyo Olympics still on the horizon. Many of our current elite rowers also raced at this regatta, sparking a dream of representing NZ on the world stage. Some athletes competing at this regatta may aspire to follow in the footsteps of these rowers and whether it is Olympic ambitions, junior or under 23 representative honours they will no doubt remember that their time started at the Aon Maadi Cup, a wonderful festival of rowing.

Rowing NZ and the NZSSRA want to thank Aon for their continued support of the Aon Maadi Cup and incredible commitment to rowing in New Zealand. The longevity and importance of Aon's support cannot be underestimated, this support has been incredibly valuable and part of the ongoing success and development of New Zealand's young rowers.

The Aon Maadi Cup would not be possible without the large number of volunteers that give up a significant amount of time to ensure that this regatta continues to be a success. Rowing NZ and NZSSRA pass on their thanks to the team at Karapiro Rowing Inc. who work year round to maintain this fantastic facility here at Lake Karapiro.

A special thanks to the coaches, parents and other volunteers who are up in the early morning and who give-up so much time on weekends, who support school training camps and provide a positive environment for the athletes to thrive and flourish as rowers and people.

Finally, to the athletes competing, you can very proud to have represented your school at this prestigious event and we wish you the best of luck for the week ahead!

Aon New Zealand

Aon Maadi Cup 2021

At Aon, we're excited for the 2021 Aon Maadi Cup regatta and we're proud to continue our support of one of New Zealand's most prestigious and historical events. We're particularly pleased to be back at Lake Karapiro for what is sure to be a great week, especially given the challenges and disappointments felt by everyone in the rowing community last year.

Here at Aon, we believe in encouraging capable and determined young people to put their best foot (or oar) forward whether that's in business or out on the water. Supporting athletes and sports that align with our brand values of excellence, dedication and "giving one's all" so we're especially excited to see the Aon Maadi Cup Legacy skiffs in action on the water with the 2019 winning schools - Southland Girls' High School and Christchurch Boys' High School.

Best of luck to all our young Maadi rowers - and to the Mums, Dads and other supporters, please come and see us at our Aon tent throughout the regatta.

At Aon, we value having a strong and positive presence in business - but also within New Zealand's cultural and sporting communities. Our partnerships with organisations around the country help to fulfil an ongoing and successful legacy of assisting New Zealanders as they strive for success.

From school yards to stadiums, Aon has long been associated with helping young New Zealanders achieve their sporting potential, every step of the way. Supporting sporting and cultural organisations on a local, regional and national level is engrained into our company culture.

MAADI CUP - BU18 8+

17

NUMBER OF WINS

12 • CHRIST'S COLLEGE

10 • HAMILTON BOYS' HIGH SCHOOL

8 • MT ALBERT GRAMMAR

7 • TAURANGA BOYS' COLLEGE

2 • WANGANUI TECHNICAL
• ST PAUL'S COLLEGIATE
• AUCKLAND GRAMMAR SCHOOL

WINS FOR WANGANUI COLLEGIATE

□ The Kiwi Oarsmen beat the Cairo River Club at a regatta in 1943 to win the Freyberg Cup which they gifted back to the Cairo Club competitors. In return, as a token of friendship, Youssef Baghat also presented the Kiwis with a cup.

□ **At the end of the war the cup was offered to the NZRA as a trophy for an annual boys eight-oared race between secondary schools and it was renamed the Maadi Cup.**

□ In 1951 the native timber pyramid base was made by Mt Albert Grammar's woodwork master, Jack Jenkin.

1 • SACRED HEART COLLEGE
• NEW PLYMOUTH BOYS' HIGH SCHOOL
• WHANGANUI HIGH SCHOOL
• FRASER HIGH SCHOOL
• ST BEDE'S COLLEGE
• ST ANDREW'S COLLEGE
• CHRISTCHURCH BOYS' HIGH SCHOOL

IN WWII TWO 2ND NZEF MEMBERS BASED AT MAADI CAMP IN EGYPT RACED IN REGATTAS ON THE NILE AGAINST THE EGYPTIANS.

3 • KING'S COLLEGE
• WESTLAKE BOYS' HIGH SCHOOL

FIRST COMPETED FOR IN 1947 IN WHANGANUI - IT WAS WON BY MT ALBERT GRAMMAR

NUMBER OF WINS

7 • ST MARGARET'S COLLEGE

3 • WHANGANUI HIGH SCHOOL
• MARLBOROUGH GIRLS' COLLEGE
• WAIKATO DIOCESAN SCHOOL

2 • WHANGANUI GIRLS COLLEGE
• WESTLAKE GIRLS' HIGH SCHOOL
• DIOCESAN SCHOOL FOR GIRLS

1 • WANGANUI COLLEGIATE SCHOOL
• ST. PETER'S SCHOOL

15

□ This cup has been hotly contested and schools from Canterbury region have been dominant.

**WINS FOR
RANGI RURU
GIRLS' SCHOOL**

**FIRST WON BY WHANGANUI
GIRLS' COLLEGE**

**1981
MAADI
REGATTA
HELD AT LAKE
HOROWHENUA**

■ The same year the Levin Borough Council was celebrating its 75th Jubilee.

□ Mayor Jack Bolderson decided a fitting tribute to remember the Jubilee and the racing in Levin would be to present a cup to the girls senior eight on the final day.

Protecting and preserving our local environment

World Rowing (FISA) has partnered with WWF to raise awareness of the importance of clean water, and to promote and improve existing water environments.

Closer to home, Rowing NZ has partnered with the Waikato River Authority to raise awareness among the New Zealand rowing community about the need to protect and preserve our local environment for generations to come.

DID YOU KNOW?

Approximately 10% of plastic items produced end up in waterways when not disposed of properly. This is seriously harmful to our ecosystems. Even when plastic is disposed of in landfills it can take up to 1000 years to decompose. Also, did you know that not even organic material breaks down effectively in landfills? This is because there is no oxygen for enzymes and microbes that work aerobically to break down the trash. As a result, the trash in our landfills emits methane, which is a potent greenhouse gas which harms our environment.

THE FACTS:

Water is the one natural resource that all life on our planet depends upon

1.1 billion people don't have access to safe drinking water

Fresh water is needed by more than just water sports: flora, fauna and agriculture depend on it

The sport of rowing depends on having access to safe waters to train and compete on. It's vital that we protect and promote New Zealand waters

New Zealand rowers have a responsibility to adopt environmentally sustainable approaches to water usage, and a responsibility to educate others to follow suit

ROWING
NEW ZEALAND

Waikato River
Authority

WATER IS LIFE.

It is essential for all known living thing to grow and survive. Did you know that 97% of the world's water is salt water? That means only 3% of the water on earth is available to meet the needs of people, plants and animals. And of this 3%, only a third is readily available. The rest is frozen solid in glaciers and up on high snowy mountains.

Our dependency on water is huge, which is why it is so important for us to protect and restore our waterways. New Zealand's lakes and rivers are feeling the pressure of more than 150 years of growing population and land-use changes. A few simple changes to our behaviour can lessen our impact and help to improve our waterways.

Rowing New Zealand is lucky to be supported by the Waikato River Authority.

The WRA's vision is to improve the Waikato River so

it can sustain abundant life and prosperous communities who, in turn, are responsible for restoring and protecting the health and wellbeing of the river and all it embraces, for generations to come. All water is connected, so these principals need to be applied throughout New Zealand and the world.

So what can we rowers do to make our impact on the environment more sustainable?

REDUCE the amount of rubbish you make. Think before you make purchases to decide if you actually need something or not, and then look for the most environmentally friendly option.

REUSE and fix things that are broken. We do not need to replace everything that has a minor imperfection.

RECYCLE plastic, paper and compostable items and put them in the correct bins.

Once you start making change you will be surprised at how easy it is and feel rewarded for doing the right thing.

REFUSE all single-use plastic. Always have your reusable drink bottle available, and carry other reusable items like a keep-cup, cutlery and a plate so you don't need to accept single-use plastic items when purchasing food on the run.

THINK ABOUT WASTE WATER and what you put down sinks and drains. Use chemical-free soaps when washing boats to reduce the toxic load entering and polluting waterways.

CLEAN UP any rubbish that you see around you, and inspire those around you to clean up too.

Start a compost bin at your club to take food waste.

Secure your reusable drink bottle in your boat by tying it to your rigger with a bungee cord.

Choose natural cleaning products that are better for your health and the environment.

Rowing NZ's Elite athletes are undertaking water-care initiatives at the Colgan Foundation High Performance Centre to ensure the future of all water sports in New Zealand.

- ☐ Teach others about the importance of protecting your local training waters and preserving the environment
- ☐ Educate others about ways they too can help preserve the environment
- ☐ Instigate rubbish collections from waterways and surrounding land
- ☐ Speak to my club captain about implementing a clean water policy for my club
- ☐ Promote my initiatives on social media, in club newsletters, or write an article for OarSport so that others are inspired to follow suit
- ☐ Integrate a clean water theme for regattas I attend and educate officials, athletes, volunteers and spectators on ways they can assist
- ☐ Wash boats and equipment thoroughly, especially if transporting to another lake or river
- ☐ Minimise boat-shed water consumption and advise these methods to all other boat-shed water users
- ☐ Use biodegradable cleaning agents, and sparingly and advise these methods to all other boat-shed water users
- ☐ Recycle wherever possible advising what and how
- ☐ Maintain equipment to contain fuel/oil spills
- ☐ Refuel away from waterways
- ☐ Have a plan and equipment to deal with accidental fuel spillages and advise these methods to all other boat-shed water users
- ☐ Be aware of sensitive habitats while on the water
- ☐ Avoid disturbing wildlife with noise or boat wake while on the water
- ☐ Avoid causing shoreline erosion while on the water
- ☐ Keep bottles etc. secured in boats
- ☐ Find restoration projects underway in my area and offer to help with planting days etc.

I, from school, pledge to undertake 10 water-care practices (selected above) at my home club. I understand that if I win this competition I must provide evidence of my activity undertaken to Rowing NZ.

UNIVERSITY ROWING

ROWING CONTINUES AT COMPETITIVE AND SOCIAL LEVELS ACROSS ALL AGE GROUPS IN NEW ZEALAND, AND THERE ARE BENEFITS TO REMAINING INVOLVED AT ANY LEVEL YOU CHOOSE.

University rowing in New Zealand aims to provide a rowing experience that enriches a student's pursuit of academic excellence through a focus on participation in a sport for life, varying levels of competition and high performance opportunities.

Nine university campuses within New Zealand offer rowing programmes. Each runs its own unique programme, and all begin at the start of semester one.

Throughout the year there are many opportunities for rowers to represent New Zealand universities, including the Trans-Tasman Test Series held against Australia each July and the Aon New Zealand University Rowing Championships.

University rowing also offers an opportunity to continue on the high-performance pathway and to represent New Zealand on the world stage at the World University Championships or the Universiade.

If you would like to know more about university rowing please contact info@rowingnz.kiwi or your university's rowing club.

TOM MACKINTOSH

Tom graduated with a Bachelor of Commerce from Canterbury University in 2019 and is a member of the New Zealand rowing team

- Massey University Masters of Management - Graduating 2021
- University of Canterbury Bachelor of Commerce (Accounting and Finance) - Graduated 2019
- Massey Blues Recipient 2019
- University of Canterbury Sportsman of the Year 2018 (Supreme Award)
- University of Canterbury Sports Team of the Year 2016 (Supreme Award)
- University of Canterbury Blues Recipient 2015 - 2018

Tom Mackintosh began rowing at Lindisfarne College and Hawke's Bay Rowing Club in 2012 at the age of 15. Within two years he found himself selected in the 2014 junior men's coxed four. The crew raced to a bronze medal at the World Rowing Junior Championships in Hamburg, Germany. **Tom took time after the World Rowing Junior Championships to focus on his study at the University of Canterbury.** During that time he stayed involved with the sport at Rowing Performance Centre level and was also in the New Zealand Universities trans-Tasman team in 2015. Throughout his time at university, Tom also played rugby. In 2016 he was selected in the New Zealand U21 team that competed in a two-regatta series against Australia. The following year Tom was selected in the U23 men's eight that went on to place 7th at the World Rowing Championships in Plovdiv, Bulgaria.

In 2018 he moved into the U23 coxless four and took home a bronze medal from the U23 worlds in Poznan, Poland. When the New Zealand selectors decided to take on this young crew to compete at the elite World Rowing Championships in Bulgaria for experience, the crew achieved a final ranking of 15th at the regatta. In 2019 Tom was reselected into the men's U23 coxless four, and he and his crew managed to take home a silver medal. Following the World Rowing U23 Championships Tom successfully trialled for the men's elite coxless four, which finished 14th at the World Rowing Championships. Unfortunately this was outside of the Olympic qualification standard for the 2020 Games.

“The best decision I have made in my rowing career to date was turning down trials for New Zealand's U23 and elite team. I made this decision to continue my studies at the University of Canterbury, and that choice is what has enabled me to be a part of New Zealand's elite team today. Throughout my break from professional rowing I competed in the New Zealand University rowing team, which allowed me to travel overseas and maintain my competition experience, whilst strengthening my relationship with Rowing NZ. University rowing complimented my studies, and I am grateful I was able to represent my country whilst doing so.”

Aon NEW ZEALAND UNIVERSITY ROWING CHAMPIONSHIPS

The most fiercely contested event
on the university rowing calendar
is the Aon New Zealand University
Rowing Championships.

Held around Easter each year,
the regatta is competitive
on the water and a whole
lot of fun off the water.

WE WANT YOU

What do you love doing most?

Helping people, having an active lifestyle or leading a team?
How about sports, travel, adventure, fixing stuff, or learning about technology?
Whatever you're into, there's a role in the New Zealand Defence Force to suit.

**Come visit our stand, talk to our recruiters
and meet the NZDF Rowing Team**

Previous NZ Secondary School Rowing Championship

REGATTA VENUES

30 REGATTAS AT LAKE KARAPIRO

2020 - Regatta scheduled to be held at Lake Ruataniwha, Twizel but cancelled on 16 March 2020 due to COVID-19.

Decision making in New Zealand rowing

Rowing NZ has long prided itself on its well-established democratic structure of 11 associations and 65 clubs. We offer this simple guide to how it all works.

Rowing has been a competitive sport in New Zealand since the 1850s and, alongside athletics, is the country's most successful Olympic sport. The New Zealand Rowing Association, trading as Rowing NZ, is the governing body of rowing in New Zealand and has two arms.

The domestic arm focuses on club, school and university rowing in New Zealand. The high performance arm looks after the international teams, from juniors through to elite, that represent New Zealand.

How is the organisation structured?

A board is responsible for management and administration of Rowing NZ. Membership of Rowing NZ includes the 11 associations, which includes 10 regional associations plus the New Zealand Secondary Schools Rowing Association (NZSSRA). Below the regional associations sit the 65 clubs, each of which is affiliated to an association. The NZSSRA represents rowing schools rather than clubs. Rowing NZ also has nine affiliate members that are closely connected to Rowing NZ but support their aspect of the sport. These organisations do not have voting rights at the annual general meeting (AGM).

When and how are big decisions made?

Large decisions are mainly made at the AGM, or on rare occasions when a special general meeting is called. The AGM typically takes place in mid-May, and is rotated every three years between a North Island venue, a South Island venue and Wellington. The business of the AGM includes considering remits or motions to alter the constitution or rules and regulations of Rowing NZ (which includes the rules of racing for championship regattas). At the AGM, all voting on decisions is undertaken by the 11 association members. Each association nominates two delegates, who have one vote a-piece.

In order to make changes to the constitution or rules and regulations, a 75 percent majority across associations is required.

How are matters to be voted on selected for the agenda?

At least eight weeks prior to the AGM, a notice of meeting detailing the date and venue and a call for remits is sent out to associations and published on the website. The associations can then put forward any remits. These need to be provided to Rowing NZ at least four weeks before the AGM. If a club wants to see the introduction of more mixed rowing, for example, and it receives the backing of its association, then this can be proposed to Rowing NZ as a remit. A remit must be seconded by another association in order to go forward for voting.

Once remits are collated, an agenda is released (not less than 2 weeks before the AGM). The associations then communicate the topics for consideration to their clubs. Some associations meet monthly, others less regularly. Rowing NZ endeavours to work ahead of the constitutional timeframes in order to allow associations plenty of time to meet and consult with their clubs and determine how their delegates will vote.

While Rowing NZ can also put forward remits, decisions are made solely by the 11 voting associations.

As a club rower, can I have a say in the future of the sport?

Any club rower has the right to raise any matter through their club committee or association, or they can come directly to Rowing NZ.

Are there any forums through which I can express an opinion?

Rowing NZ hosts the annual Whole of Sport Forum, typically held in Auckland in August/September, to gain feedback from members on hot topics in the sport. The forum has been running for more than 10 years and is a key opportunity for the governing body for the sport to gauge opinion on the issues that matter. This is a great chance for Rowing NZ, associations and clubs to come together and chat. Besides club representatives and association delegates, Rowing NZ also invites a range of people to ensure the opinions and voices heard within the rowing community are always fresh and diverse.

"The forum has been running for more than 10 years and is a key opportunity for the governing body for the sport to gauge opinion on the issues that matter."

What are some recent decisions that have been voted on to implement change in the sport?

A good recent example was the decision to introduce an intermediate grade. Previously the grades below premier level included senior, club and novice, but it was difficult for a second-year rower or more recreational competitor to leap from novice to club-level racing. Many regattas now host an intermediate grade, which sits between novice and club level. This has been a big success, allowing many rowers to race at an appropriate grade for their ability, meaning every rower has valuable racing experiences.

Another key decision was taken at the 2017 AGM: to change the Boss Rooster, the men's coxed four premier competition at the New Zealand Rowing Championships, into a coxless four event, to encourage higher entry levels.

What other parts of the Rowing NZ democratic structure should I be aware of?

Rowing NZ has a number of sub-committees such as the schools, university and domestic rowing committees, each of which is chaired by a board member, and which typically meet two or three times a year. The domestic committee consists of members from around the country who represent a mix of ages and genders, coaches, officials, club presidents etc. These committees are a great avenue for Rowing NZ and the associations to discuss topics prior to an AGM, and can help formulate matters that may later be raised on the agenda.

ROWING NEW ZEALAND **MASTERS CHAMPIONSHIPS**

18-19 SEPTEMBER LAKE RUATANIWHA

In New Zealand, a rower is first eligible to compete in Masters competition in the year that they turn 27. There is no upper age limit. Rowers are then put into age based categories from A to K – if rowing in a crew category 'A' crews have an average age of 27 or older, with category 'K' crews having an average age of 85 or older.

Masters rowers enjoy the competition, camaraderie and pure enjoyment of the sport of rowing itself. There is no age too high to learn to row, with many

New Zealanders finding rowing later in life. There are a number of Masters events held each year during the summer season.

The largest Masters regatta is the New Zealand Masters Rowing Championships, held at either Lake Karapiro or Lake Ruataniwha in mid-September.

The 2021 New Zealand Masters Rowing Championships will be held at Lake Ruataniwha, Twizel 18 - 19 September 2021.

2021 AON MAADI CUP CONDITIONS

DATE

The regatta will commence on Monday, 22 March 2021 and run until Saturday, 27 March 2021 with Sunday, 28 March 2021 (until midday) being the official reserve day.

TIMES

Racing will commence at 8:00am on Monday 22 March 2021 and daily thereafter as directed by the Day Sheets. For the purposes of the regatta sunrise is at 7:25am and sunset at 7:20pm each day.

LOCATION AND COURSE DETAILS

The regatta will be held at Lake Karapiro, Waikato, New Zealand. All races will be rowed on the 2000-meter eight-lane Albano course with markers at every 500 meters and the lanes numbered 1-8 with number 1 being closest to the Judges. The course is straight and on still water.

CONDITIONS APPLYING TO THE REGATTA

The regatta is being held in accordance with the NZSSRA Rules, Regulations and Safety System, NZSSC school team eligibility criteria and these Terms and Conditions. We recommend all competitors should be familiar with them. In addition the Rules of the NZRA and the Rules, Bylaws, Codes and directives of Karapiro Rowing will be diligently referenced and complied with.

CLASSIFICATION OF RACES

Races are classified by boat type, gender, age and, where applicable, ability (Novices). Classifications are made in accordance with Rule 11 of the NZSSRA Rules.

BOAT TYPES

The regatta is for rowing boats that meet the requirements of Rule 4 of the NZSSRA Rules and fall in the following categories: Singles, Doubles, Pairs, Quadruples, Fours, Eights and Octuples.

Any boat may be inspected before racing commences and may be spotchecked at any other time to see it complies with these requirements. Crews of Unsafe and/or non-compliant boats shall be disqualified in accordance with Rule 7 of the NZSSRA Safety System.

THE ORDER OF EVENTS

The order of events is that set by the NZSSRA Schools Committee in 2018 and is listed in Appendix D of the NZSSRA Constitution. In addition, this year, there are two exhibition events, for Boys and Girls U17 Pairs, which take place between events 38 and 39.

PROGRESSION

The progression to the finals will follow the Option 7 Championships progression system as approved by the NZSSRA Schools Committee and found on the NZSSRA website. The Option 1 or 2 progression system may be used if circumstances require. Time trials may be used in an emergency.

The allocation of crews to the preliminary heats shall be seeded. The maximum number of crews in a race will be eight.

'C', 'D', 'E' & 'F' Finals will be held with the Semi-finals or Quarter-finals where appropriate for that event. 'B' finals will be added for under-18 non-novice events that do not already have them. 'B' finals will be started prior to the 'A' final of that event.

REGATTA FEES

The fees for the regatta, which are given GST exclusive, are as follows:

Entry fees

Eights	\$68.00 per crew
Fours/ Quads	\$49.00 per crew
Pairs / Doubles	\$37.00 per crew
Singles	\$28.00 per crew
Amenity fee	\$30.00 per pupil

Other fees

Late scratching.....	\$40.00
Non-progression.....	\$150.00
Non-notified crew change.....	\$50.00
Entry Protest	\$20.00
Race Protest	\$20.00
Appeal	\$20.00
Tent front site	\$200.00
Tent rear site	\$160.00
Tent site power	\$140.00

2021 AON MAADI CUP CONDITIONS

ENTRIES

Entries close at 10:00pm on Monday 8th March 2021. Entry into the regatta is by way of Online Regatta Entry on the NZSSRA website: www.schoolrowing.org.nz

Schools are limited to the following limits per event:

- Single Sculls & Double Sculls - 1 entry
- All other boats - 4 entries

Exhibition events are only open to students who are entered in no more than 2 other events.

The maximum number of crews for any event is 64. Should more than 64 entries be received for an event then the crews-per-school-per event limit may be lowered for that event or a time trial held to determine those that will progress.

After close of entries Regatta Control may call for supplementary entries to fill extra races and/or some of the lanes that would otherwise be empty during heats. Any call for supplementary entries will explain how they can be made.

The Online Regatta Entry system will generate all the forms necessary to complete entry into the regatta and they must then be signed by the school's Principal and forwarded to the regatta hosts as detailed in the Declaration Forms.

The method for payment of entry fees is for schools to deposit their entry fees into the Karapiro Rowing Inc account and include a copy of the associated receipt with their entry forms with a further copy emailed to Karapiro Rowing at maadi@karapirorowing.com

Name of account: Karapiro Rowing Inc

Bank: ASB

Branch: Cambridge

Account No: 12-3268-0088115-50

Cheques will not be accepted.

In ALL CASES payment and declarations forms must be received before the crews will be allowed to race.

PRE-REGATTA MEETING

The pre-regatta Safety Briefing and managers' meeting will be held at 4:00pm on Sunday, 21 March 2021 in the Sir Don Rowlands Centre at the Lake. **Attendance at this meeting by the school's Adult Safety Officer is compulsory for those schools wishing to compete at the regatta. A roll call will be taken.** Coaches and Managers are also urged to attend the meeting. Any School without a Safety Officer in attendance shall not be permitted to race at the regatta.

ADDITIONAL LOCAL INFORMATION

1. SAFETY

Use of the lake is subject to MaritimeNZ Rules and the Waikato Regional Council's Navigation Safety Bylaw 2020. This legislation takes precedence over all other safety related documents. Nevertheless, all crews and coaches should be conversant with NZSSRA Safety System and NZRA's Competition Safety Code.

Rowing, by its very nature has an element of danger associated with it and it is a responsibility of all participants to ensure that safe practices are to be used at all times. Safety equipment is available for the official racing and training hours of the regatta only.

*** WATER SAFETY BEGINS WITH YOU ***

Responsibility for going on the water lies at all times entirely with the crew.

2. BOAT SAFETY STANDARDS

It is a matter of prime importance that all boats must be in a safe condition for rowing.

Each crew and their coach(s) are primarily responsible for ensuring that their boat is safe for rowing and meets the minimum standards prescribed in the NZSSRA Rules of Racing and are operated in the manner intended or prescribed by the boat manufacturer.

Crews, whose boats do not meet these standards 30 minutes before the advertised time of the race, may be excluded from the race at the discretion of the official conducting the boat safety compliance checks.

Crews whose boats do not meet these standards 20 minutes before the advertised time of the race shall be excluded from the race (NZSSRA Safety System Clause 7.c). The official shall inform Regatta Control of their decision.

All boats that pass the compliance check will have a sticker attached to the bow of the boat.

Boats not displaying a sticker shall not be permitted to race.

3. RESPONSIBILITY TO DISCLOSE MEDICAL INFORMATION (AND CONSEQUENCES OF FAILURE TO DO SO)

Each competitor shall be primarily responsible for ensuring that their school shall have up to date information on any medical conditions that the competitor has, prior to the close of entries.

Each person who submits entries on behalf of a school shall:

- i. ensure that SPECIFIED medical information about competitors is submitted to Karapiro Rowing Inc. by the closing date and time for the entries.
- ii. in the case where a competitor is diagnosed with a medical condition after the close of entries, the person responsible for the crew shall submit that information to Regatta Control at least 60 minutes before the advertised starting time of the first race of the regatta.

Failure to submit such information shall result in the school being levied a monetary penalty of \$250.00+GST for each and every breach of i or ii above.

Should a medical event occur involving a medical condition not disclosed to Karapiro Rowing Inc. as detailed in i. or ii above, then the school shall be levied a monetary penalty of \$500.00+GST and be disqualified from competition for the remainder of the regatta.

4. NOTIFICATION TO REGATTA CONTROL OF ON SITE & OFF SITE MEDICAL ASSESSMENTS

Each competitor by entering this regatta agrees to the First Aid team notifying Regatta Control when the medical services are used by the competitor.

Each competitor entering this regatta agrees to notify Regatta Control (before the competitor next competes) when they have undergone a medical assessment (other than through the on-site First Aid team) and further agrees to provide the results of the assessment. This ensures that Regatta Control are made aware of all medical assessments.

The school of a competitor who receives an assessment as being unfit to compete (whether from the on-site First Aid team or externally to the regatta) **MUST** substitute the competitor in all crews in which they are entered or scratch all crews in which the competitor is entered or submit a combination of scratchings and substitutions for all crews in which they are entered.

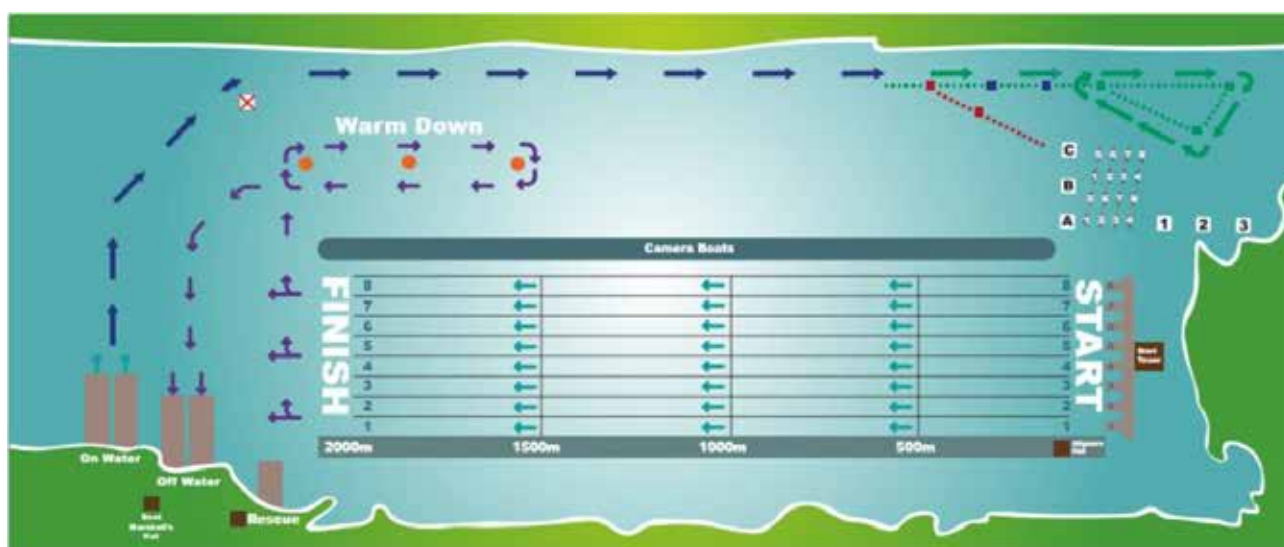

Any competitor who competes instead of being substituted and/or scratched as required by the above sub-clause shall be disqualified from the regatta and their school shall be levied a monetary penalty of \$500.00+GST.

5. FLAG SIGNALS

- **GREEN FLAG** Lake is open for training and racing
- **RED/NO FLAG** Lake is closed for training and racing

6. TRAFFIC CIRCULATION DURING REGATTAS

NOTE: This is a hydro lake used for the commercial production of electricity.

7. TRAINING ON THE LAKE

Training is permitted only when supervised by Karapiro Rowing and at times advised by Regatta Control, which are subject to review in the event of adverse conditions or change of programme.

- There will be supervised pre-regatta training from 8:00AM to 12:00PM then 2:00PM until 6:00PM on both Saturday 20 March and Sunday, 21 March.
- Training hours during race days at the regatta will be notified in due course but they will be as extensive as possible.
- Training is not permitted unless the GREEN FLAG is flying.

No coach boats are permitted on the lake.

Any crew going training must must pass a compliance check from Regatta Officials before going on the water.

Crews wishing to train on the lake during training hours **must** be within the designated training area, **must** observe the NZSSRA Safety System, must comply with MaritimeNZ Rules and Waikato Regional Council Bylaws, the rules and directives of Karapiro Rowing Inc. and coxswains must wear a life jacket.

Unless otherwise advised by the Safety Officer **crews are not allowed to train on the course** (defined as the area of water that is on the start side of the finish line) during the period between half an hour before the start of the days racing and half an hour after the finish of the days racing.

Training outside the allowable area of the lake is done entirely at the crew's risk and the school's Adult Safety Officer is responsible for ensuring MaritimeNZ Rules and Waikato Regional Council Bylaws are complied with.

Any crew ignoring these conditions or in breach of NZSSRA Safety Regulations may be fined a monetary penalty and may be disqualified by the Chief Umpire from taking further part in the regatta. The Chief Umpire shall reprimand the coach.

8. CREW CHANGES/SUBSTITUTES

All applications for crew changes and substitutions must be completed online through the NZSSRA web site at www.schoolrowing.org.nz by **8am on Saturday 20th March 2021**. After this time they must be advised in writing to Regatta Control by an appropriately authorised member of the school party no less than 90 minutes prior to the first race for the event in which the crew is entered and in all cases prior to the crew taking to the water.

Applications for substitutions for subsequent races must be accompanied by a medical certificate or evidence of expulsion from the regatta and must be advised in writing to Regatta Control by an appropriately authorised member of the school party at the earliest opportunity but no less than 60 minutes prior to the race.

9. SCRATCHINGS & NON-PROGRESSION

Any scratching must be made online through the NZSSRA web site at www.schoolrowing.org.nz or advised in writing to Regatta Control by an appropriately authorised member of the school party as follows:

- Elimination heats by 8am on Saturday 20 March 2021. (scratchings received by this time are eligible for a 75% refund of the associated entry fee); and

2021 AON MAADI CUP CONDITIONS

- Thereafter scratching notification is required within one hour after the last qualifying race in which the crew raced; but
- In the event of straight finals or events with no repechages or semi-finals, 12:00PM on the day before the final.

Any boat that is scratched from or does not start a race it has progressed to shall incur a non-progression monetary penalty of \$150.00+GST.

10. COXSWAINS WEIGHTS

All coxswains must provide their own weights.

11. COMMUNICATION DEVICES

NO cell phones, smart watches or other electronic communication devices (capable of communication with anyone outside the boat) are permitted to be carried in a boat whether switched on or off.

12. CREW IDENTIFICATION

There have been a number of instances where there have been difficulties with crew recognition. To solve such difficulties, photographs of crews may be taken at the start or finish of any race and held as part of the official records of the event.

13. BOAT NUMBERS

In the event the Regatta Committee supplies bow numbers to be used at the regatta then these shall be used to the exclusion of all other numbers. Numbers not returned within 1 hour after the race in which they were used shall be charged for at \$25.00+GST per missing number (as a new number has to be produced for the next use). Numbers lost on the water must be advised to the Number Steward at the Boat Marshals hut.

14. PROCEEDING TO START

All crews must use the two pontoons furthest from the finish tower for race departure.

All crews must proceed to the start on the outside of the course unless specifically directed. Crews must not proceed to the start on the course or cross the course at any stage during the regatta without prior approval of the Chief Umpire in each instance.

Crews must be in the START zone at least five minutes before the advertised start time of their race. The starter will inform crews of the time remaining before the start of the race at appropriate intervals.

15. START PROCEDURE

As it is difficult to identify raised arms, it is preferred that prior to the commencement of the start command the Bow or Two person of a crew raise their arms. These are not recognised after the attention call.

16. NON-START RETURNS

For safety reasons, non-starters must return to Boat Park on the regatta course as directed.

17. AFTER RACING

On completion of a race all crews must row past the pontoons and remove their boats from the water by the two pontoons, closest to the finish tower. Under no circumstances are crews to row back past the finishing line unless they are using the warm down lanes parallel to the course.

18. MEDAL PRESENTATION

After the race finishes, the Umpire will ask the Medal Winning crews to proceed to the presentation area. Where boats of winning crews are required quickly for later races, schools are asked to arrange the take-over of the boats at the presentation area. After medals and trophies have been presented, crews return to their boats and row to the Boat Park.

19. PHOTOGRAPHY

By entering this regatta, under these conditions' schools agree to having audio recordings, photographs, videos and/or other images taken of their students, supporters, volunteers and coaches during the regatta and these may be used for media (both print and electronic) and promotional purposes in connection with this event, future events and/or Rowing NZ or Karapiro Rowing Inc. Business.

No drones are permitted at this regatta (with the exception of regatta management according to the conditions agreed to with Rowing NZ).

20. CONDUCT OF ROWERS

Schools Coaches and crews are reminded that the school party is considered to be in attendance at the regatta from the time they first arrive at the venue the end of the official spare day. These rules will be applied for any breaches on or off the water during this time and it is recommended that all members of the party be familiar with these rules. Any crew or crew members found guilty by the Race Committee of bringing the Regatta or Rowing into disrepute, on or off the water, may be disqualified from further participation in the Regatta and could prejudice the participation of other crews from the same school.

21. SMOKING, ALCOHOL & DRUGS

This regatta is deemed to be smoke, alcohol and drug free for competitors and the CONDUCT provisions apply to any breaches.

Coaches and Crews are advised that, as a condition of entry into this regatta, rowers may be required to undergo tests for substances prohibited by Rowing New Zealand's anti-doping code, the International Rowing Federation, FISA and the IOC. Such tests will be undertaken by the New Zealand Sports Drug Agency who will be acting in an independent capacity under the New Zealand Sports Drug Agency Act.

22. VENUE CARE

The regatta venue is private property and should be given due respect. To assist the hosts to maintain the venue please do not litter, look after the assets and report any damage or breakages to Regatta Control. The CONDUCT provisions apply to persons abusing the hosts hospitality.

2021 AON MAADI CUP CONDITIONS

23. BOAT PARK

The boat park will open midday Thursday 19 March 2021. It will be closed at 7am on Monday, 22 March 2021 and will not be opened until the following Saturday after the last race. Vehicle access during the regatta is not available. Only boat trailers used for storage will be permitted to be left in the boat park but there is ample parking adjacent to the Boat Park for transport vehicles. Boat park access is restricted to officials, coaches and competitors.

24. PARKING & VENUE ACCESS

Spectators are to enter the venue by Gate 3 and park in the Public car park. There will be a charge to park excluding Buses.

Gate 1 access is for mini-buses and registered coaches (no-charge). Gate 2 access is for Regatta Officials, VIPs, and parking authorised by Gate 1 Traffic Management Staff.

Each school that has a tent site on the spectator embankment is entitled to receive two passes for the purposes of servicing their tent but this does not include the parking fee. Tent sites may only be accessed by vehicle before 7.30am and after race daily. At all other times there is no vehicle access to the spectator embankment with vehicles. Schools are encouraged to look at other options for restocking their sites outside these hours. Failure to observe these limits may result in the car pass being cancelled.

25. RAFFLES

The selling of raffle tickets or goods for the purpose of raising money for any cause is not permitted under any circumstances unless permission has been gained from Karapiro Rowing Inc. prior to the regatta. Anybody caught selling raffle tickets or goods for the purpose of raising money at this regatta runs the risk of their school being Disqualified from the regatta.

26. POSTPONEMENT OR CANCELLATION

The Regatta Organising Committee shall be under no obligation to refund any fees whatsoever as a result of the postponement or cancellation of the regatta for whatsoever reason. Rowing is an outdoor sport and as such is subject to the weather being suitable on any given day to conduct the regatta in a safe and responsible manner.

27. SOURCE DOCUMENTS

Source documents for this regatta are:

- these Terms and Conditions
- NZSSRA Rules, Regulations, Safety Systems and associated appendices (www.schoolrowing.org.nz)

28. VARIATIONS

The Regatta Committee reserves the right to change the programme, course, conditions or progression system should exceptional circumstances prevail.

29. DISCLAIMER

Karapiro Rowing Inc reminds all schools and pupils participating in this Regatta that while every care will be taken by the regatta officials to ensure that the regatta is conducted safely and efficiently in accordance with the rules of racing established by the New Zealand Secondary Schools Rowing Association it is the responsibility of schools to ensure that those rules are complied with and of the pupils to comply with them to ensure safe rowing activity.

Further, it is a condition of participation in this regatta that all participants accept and note that no liability either in tort or any other nature whatsoever is accepted by or will attach to Karapiro Rowing Inc, New Zealand Secondary Schools Rowing Association Inc., New Zealand Rowing Association Inc., or NEMS Ltd for any harm, damage, loss, costs, expenses, inconvenience, interference of whatever nature and whatever kind including any damage to equipment or injury to persons of whatever nature incurred in the course of or in connection with or in any way related to the regatta regardless of whether any error or omission, wrongdoing, oversight, negligence or other tort whatsoever on the part of any regatta official or other person may be established.

Rowing Terminology

GENERAL ROWING TERMS

BLADE – Flattened spoon shaped end of oar or scull; sometimes used as term for oar.

BOW – 1. Forward end of boat, in terms of the direction the boat is moving in. 2. The rower in the seat nearest the bow.

BOW BALL – Safety ball fitted to the bow end of racing boat.

BOW SIDE – Sweep rowers on the right hand side (or starboard side) of the boat when viewed from the stern.

BOW SIDER – Sweep rowers on the right-hand side when viewed from the stern.

CATCH – The part of the stroke when the blade is put in the water.

COXSWAIN / COX – Person who steers the boat usually from a seat in the stern in an eight, or in the bow in a four or quad.

CRAB – Occurs when rower fails to get the oar out of the water at the end of the stroke, causing the oar to get caught in the water: "catching a crab"

DRIVE – The part of the stroke between the catch and the finish, when the oar is in the water.

FEATHER – To turn the blade parallel with the water surface at the start of the recovery to reduce wind resistance.

FINISH / RELEASE – The part of the stroke when the blade is taken out of the water.

LAYBACK – The amount of backward lean of the rower's upper body towards the bow at the finish of the stroke.

LENGTH –

1. The length of a boat ("They won by one length").

2. The length of a rower's stroke through the water

RECOVERY – The part of the stroke cycle between the finish and the catch in which the blade is feathered and out of the water.

REGATTA – A competitive rowing racing event.

SCULLING – Rowing when each

person rows with two blades (oars).

SLIDE – 1. The parallel rails on which the boat seats move. 2. The action of the boat seat with wheels on parallel rails.

SQUARE – When the blade is perpendicular to the water.

STERN – The back end of the boat in terms of the direction in which the boat is moving.

STROKE – 1. The complete cycle of the oar going from the catch back to the catch.

2. The rower seated nearest to the stern of the boat.

STROKE RATE / RATE – The number of strokes per minute that a crew is rowing, as in the number of times a blade goes in the water each minute.

STROKE SIDE – Sweep rowers on the left hand side (or port side) of the boat when viewed from the stern.

STROKE SIDER – Sweep rowers on the left-hand side of the boat when viewed from the stern.

SWEEP ROWING – Rowing when each person rows with one oar.

EIGHT – eight rowers, one oar each with a coxswain is known as an eight 8+

COXED FOUR – Four rowers, one oar each with a coxswain known as a 4+

COXLESS FOUR – Four rowers, one oar each, no coxswain, known as 4-

OCTUPLE SCULL – eight rowers, two sculling blades each, with a coxswain known as 8X+

COXLESS QUADRUPLE SCULL – four rowers, two sculling blades each, no coxswain, known as a 4X-

COXED QUADRUPLE SCULL – four rowers, two sculling blades each, with a coxswain, known as a 4X+

PAIR – two rowers, one oar each, no coxswain, known as a 2-

DOUBLE SCULL – two rowers, two sculling blades each, no coxswain, known as a 2X

SINGLE SCULL – one rower, two sculling blades, known as a 1X
