

The following are the amendments to Rules 13.2, 13.3 and 13.4 that the Classification Eligibility Review and Adjustment Committee have agreed to be presented to the 2020 NZRA Annual General Meeting for ratification.

Only 13.2 had proposed changes which reads as follows:

Rule 13 - Classification According to Ability

2. Classification Regattas and ~~Events~~Races

- a) ~~Classification Regattas are used to assess the ability of rowers. They are T~~he New Zealand Rowing Championships and NZSSRA's New Zealand Championships are Classification Regattas.
- b) Events at Classification Regattas (excluding those events which are less than 2000m in distance or provide for mixed gender participation) are events which are used to assess the ability of rowers.
